TURIST

Since we started PPHE Hotel Group in 1989 our philosophy has been to operate friendly hotels. Over the years this has translated into our current mission statement ‘to inspire our guests through individuality and passion’.

We have created a portfolio of contemporary hotels with trend-setting designs offering affordable luxury and an excellent hospitality experience in major gateway cities and regional centres in Europe. Across our portfolio we successfully rolled out several restaurant and bar concepts such as the renowned Chino Latino® – modern pan-Asian restaurant and Latino cocktail bar – in our hotels in Leeds, Nottingham, London and Cologne.

We are proud that our philosophy has paid off with some amazing awards and recognitions for Park Plaza® Hotels & Resorts, art’otels® and several of our restaurant and bar concepts.

Take a look at a selection of awards that we have won in recent years!
