Dear Shareholder,

Notice of annual general meeting of PPHE Hotel Group Limited (the "Company")

I am writing to inform you that the annual general meeting ("AGM") of the Company will be held at 12 noon on 11 June 2014 at 1st and 2nd floors, Elizabeth House, Les Ruettes Brayes, St Peter Port, Guernsey GY1 1EW.

The formal notice of the AGM and the resolutions to be proposed are set out on pages 5 to 7 of this document. Further information on the business to be conducted at the AGM and the resolutions to be proposed is set out below.

Ordinary business

Accounts (Resolution 1)

The directors of the Company (the "Directors") are required by the Companies (Guernsey) Law, 2008 (as amended) (the "Companies Law") to present each year the Company's most recent financial statements and the Directors' and the auditors' reports on those financial statements to the Company at its annual general meeting.

Resolution 1 will, therefore, propose that the report of the Directors and the Accounts of the Company for the year ended 31 December 2013, together with the report of the auditors, be received.

The Company's financial statements and the Directors' and the auditors' reports on the financial statements will be posted to shareholders prior to the AGM.

Final dividend (Resolution 2)

A final dividend of 8.0 pence per ordinary share for the year ended 31 December 2013 is recommended for payment by the Directors. If Resolution 2 is passed then the recommended final dividend will be paid on 13 June 2014 to all shareholders who were on the register of members as at the close of business on 28 March 2014.

The Companies Law has adopted a solvency based regime rather than a capital maintenance regime, which requires that a company can only pay a dividend provided it satisfies the "solvency test" (as detailed in the Companies Law) immediately after the dividend is paid. A company satisfies the "solvency test" if: (i) it is able to pay its debts as they become due; and (ii) the value of its assets is greater than the value of its liabilities. In recommending the payment of the final dividend the Directors have already considered the "solvency test". However, payment of the final dividend will remain conditional on the Directors reconfirming that the "solvency test" will be satisfied immediately following such payment being made on 13 June 2014.

Appointment of Auditors (Resolution 3)

The Company is required to appoint auditors for each of its financial years.

Resolution 3 will, therefore, propose the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as auditors and authorise the Directors to fix their remuneration.

Re-election of Directors (Resolutions 4 to 9)

The existing articles of incorporation of the Company require that any Directors appointed during the year following the annual general meeting offer themselves for election at the next annual general meeting. In addition, the existing articles of incorporation of the Company require that at each annual general meeting: (a) any Director who was elected, or last re-elected, at or before the annual general meeting held in the third calendar year preceding that annual general meeting is required to retire from office by rotation; and (b) such further Directors if any shall retire by rotation as would bring the number retiring by rotation up to one-third of the number of Directors in office at the date of the notice of the meeting, but in each case such Director is eligible for re-election. No Directors have been appointed since the last annual general meeting.

The UK Corporate Governance Code recommends that all directors of FTSE 350 listed companies should be subject to annual re-election by shareholders. Although the Company is not a FTSE 350 listed company, the Directors have decided to endorse this recommendation of the UK Corporate Governance Code and therefore all the Directors will retire at the AGM and offer themselves for re-election.

Resolutions 4 to 9 will, therefore, propose the re-election of the following Directors:

Mr. Jones initially worked in Southampton for Humberts dealing with the management of coastal land that formed part of the Crown Estate. Having moved to Guernsey he established the Island's first dedicated commercial property practice in 1995. Special business

Purchase of Own Shares (Resolution 10)

The purpose of resolution 10 is to put in place an authority to enable the Company to make market purchases of up to 4,153,079 ordinary shares of nil par value of the Company ("Ordinary Shares"), being approximately 10% of the issued ordinary share capital (excluding treasury shares) as at the date of this document.

The Company's exercise of this authority will be subject to the stated upper and lower limits on the price payable (as set out in the attached notice of AGM). The Directors will only exercise the power of purchase after careful consideration and in circumstances where they are satisfied that to do so would result in an increase in earnings per share and would be in the best interests of the Company and of its shareholders generally. The Directors intend to keep under review the potential to purchase Ordinary Shares. If granted, this authority will expire on the conclusion of the next annual general meeting of the Company or, if earlier, 15 months after this resolution is passed.

If the authority conferred by this resolution is exercised, the Company will have the option of either holding in treasury or of cancelling any of its own shares purchased pursuant to this authority and will decide at the time of purchase which option to pursue. As at 28 April 2014 (the latest practicable date prior to the publication of this document), there were 1,015,300 share options outstanding under the Company's share option plans in respect of 1,015,300 Ordinary Shares representing 2.44% of the Company's issued ordinary share capital (excluding treasury shares). If the authority to purchase the Ordinary Shares were exercised in full, then the total number of options to subscribe for Ordinary Shares outstanding would represent 2.72% of the reduced issued share capital (excluding treasury shares).

Disapplication of Pre-emption Rights (Resolution 11)

In certain circumstances, it may be in the best interests of the Company to allot shares (or to grant rights over shares) for cash without first offering them to existing shareholders in proportion to their holdings. The purpose of resolution 11 is to grant the power to the Directors to allot Ordinary Shares (or sell treasury shares) for cash without first offering such Ordinary Shares pro-rata to existing shareholders in accordance with the rights of pre-emption set out in the Company's articles of incorporation. This would provide the Directors with a degree of flexibility to act in the best interests of the Company so that (i) the Company can follow normal practice in the event of a rights issue, open offer or other offer of securities in favour of the existing shareholders in proportion to their shareholdings, and (ii) shares may be issued for cash to persons other than existing shareholders.

This is a general disapplication of the rights of pre-emption in respect of 4,153,079 Ordinary Shares representing approximately 10% of the current issued share capital of the Company (excluding treasury shares). If granted, this authority will expire on the conclusion of the next annual general meeting of the Company or, if earlier, 15 months after the resolution is passed. The Directors have no present intention of exercising this authority.

Action to be taken

You will find enclosed a Form of Proxy for use at the AGM.

Please complete, sign and return the enclosed form as soon as possible in accordance with the instructions printed thereon, whether or not you intend to be present at the AGM. Forms of Proxy should be returned so as to be received by, Capita Asset Services, PXS1, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4ZF, United Kingdom, as soon as possible and in any event no later than 48 hours before the time appointed for holding the AGM, that is to say, no later than 12 noon on 9 June 2014.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

Recommendation

The Directors consider that all the resolutions to be proposed at the AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend shareholders to vote in favour of all the resolutions, as they intend to do in respect of their own beneficial holdings.

Yours sincerely,

Notes

- 1 Any member entitled to attend and vote at the meeting may appoint one or more proxies to attend and, on a poll, vote in his stead. Such proxy need not be a member of the Company. If no specific direction to voting is given, the proxy will vote or abstain at his discretion.
- 2 To be valid, the Form of Proxy must be returned in accordance with the instructions printed thereon not later than 12 noon on 9 June 2014. The Form of Proxy should be returned to Capita Asset Services, PXS1, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4ZF, United Kingdom.
- 3 Completion and return of a Form of Proxy will not prevent a member from attending and voting at the meeting should he so wish.
- 4 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (formerly CRESTCo's) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must in order to be valid, be transmitted so as to be received by Capita Asset Services (ID RA 10) by no later than 12 noon on 9 June 2014. No such message received through the CREST network after this time will be accepted. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the registrars are able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their

CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- 5 Pursuant to article 16.5 of the articles of incorporation of the Company, only those shareholders registered in the register of members of the Company as at 6.00p.m. on 9 June 2014 or, if this meeting is adjourned, 48 hours prior to the time fixed for the adjourned meeting shall be entitled to attend and vote at the annual general meeting in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after 6.00p.m. on 9 June 2014 or, if this meeting is adjourned, 48 hours prior to the time fixed for the adjourned meeting, shall be disregarded in determining the rights of any person to attend or vote at this annual general meeting.
- 6 Any corporation which is a member may by resolution of its directors or other governing body, authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of shareholders of the Company, and the person so authorised shall be entitled to exercise the same powers (other than a power to appoint a proxy) as that corporation could exercise if it were an individual shareholder of the Company.
- 7 As at 28 April 2014 (the latest practicable date prior to the publication of this document) the Company's issued share capital consisted of 43,392,792 Ordinary Shares of no par value, all carrying one vote each (1,862,000 of which were held as treasury shares).
