

Park Plaza Vondelpark, Amsterdam prepares to fly the nest following a multi-million Euro design transformation

Premium boutique hotel set to become natural habitat for the curious traveller

8 October, 2019

Amsterdam's version of Central Park and the city's most desired urban park and gardens, Vondelpark, welcomes its newest resident Park Plaza Vondelpark, Amsterdam following a multi-million Euro transformation to reflect a new premium look and feel.

Located adjacent to the Vondelpark in Amsterdam Oud-Zuid, home of the museum quarter, Park Plaza Vondelpark, Amsterdam has curated a newly invigorated, colourful design approach with splatters of inspiration taken from the bordering Vondelpark and its diverse natural environment.

Regularly voted as one of Europe's most visited cities, Amsterdam continues to cater for all creative spirits; from the late night Rambler who enjoys various dining and music venues, to the fine dining forager who desires the most Instagrammable of locations.

Joining these deliberately chosen bird-themed brand guardians includes the Flower Market Haggler, Spa Day Skiver, Painted Culture Wanderer, Orange Bellied Peruser and Great Inspired Jotter – a nod to each breed of bird can be found throughout the hotel, representing the guest personas expected to frequent this new creative space.

Hot off the back of the May 2019 opening of sister premium boutique hotel Holmes Hotel London, Park Plaza Vondelpark, Amsterdam has a newly redesigned entrance facing Vondelpark itself, ensuring a short stroll to the park as well as local brasseries, galleries and boutique fashion shops. Designed by the award-winning Digital Space, also responsible for the highly-acclaimed art'otel amsterdam and 5&33 creative lifestyle spaces in central Amsterdam, has created a strong interior design vision to complement Amsterdam designer Lieze van Zonneveld's overarching birds of Vondelpark theme which is weaved throughout various touchpoints within the hotel itself.

Park Plaza Vondelpark, Amsterdam is owned and operated by PPHE Hotel Group and its President & Chief Executive Officer, Boris Ivesha, added, "Park Plaza Vondelpark, Amsterdam is the second hotel repositioning project completed by the Group in 2019 and I am delighted to see the colourful, individual and striking design complement the unique guest experience touchpoints throughout the hotel. Vondelpark, and Oud-Zuid in general, is a highly desirable area of Amsterdam and we look forward to welcoming business and leisure guests to our latest premium boutique hotel".
